VOLUNTARY CONVERSION REQUIRED INITIAL ASSESSMENT

The Board has reviewed the risks of converting the public housing to section 8 voucher assistance. Results are as follows:

The Board determined it would be more expensive than continuing to operate the development as public housing. The amount of rent collected would probably not sustain the complex as well as capital funding and other funds from HUD.

Conversion would adversely affect the availability of affordable housing for our lower income residents. There are not enough available rentals to choose from at this time. The complex is very nice and would probably eventually become full of higher income residents looking for rentals.

Component 10(B) Voluntary Conversion Initial Assessments

- a. How many of the PHA's developments are subject to the Required Initial Assessments? TWO
- b. How many of the PHA's developments are not subject to the Required

Initial Assessments based on exemptions (e.g., elderly and/or disabled Developments not general occupancy projects)? -0-

- c. How many Assessments were conducted for the PHA's covered Developments? ONE
- d. Identify PHA developments that may be appropriate for conversion based On the Required Initial Assessments:
 - Development Name: MO146-001 Number of Units: -0-
 - MO146-002 -0-

If the PHA has not completed the Required Initial Assessments, describe the status of these assessments.

The Board has gone over the initial assessments.
